

Confederation of Indian Industry

21st Green CemenTech 2025

Theme: Road towards Net Zero Carbon

15 & 16 May 2025

Venue: Hyderabad International Convention Centre (HICC), Hyderabad, India

Conference agenda

Day 1: 15 May 2025 (Thursday)

1000 hrs – 1115 hrs: Opening Session

**1130 hrs – 1230 hrs: Session I: Panel discussion:
Cementing the Future: Strategies for a Net-Zero Carbon Industry**

**1235 hrs- 1330 hrs: Session II: Transforming Cement Industry through Latest Technology
and Innovation -I**

**1430 hrs- 1625 hrs: Session III: Transforming Cement Industry through Latest
Technology and Innovation -II**

1700 hrs - 1800 hrs: Session IV: Special Plenary Session

1815 hrs – 2000 hrs: Cement Industry Leadership meet (*On Invitation*)

Day 2: 16 May 2025 (Friday)

0930 hrs- 1105 hrs: Session V A: Productivity Enhancement and Process Optimization	0930 hrs – 1105 hrs: Session V B: Optimizing WHR: Best Practices and Innovations for Indian Cement Plants
1130 hrs- 1320 hrs: Session VI A: Circular Economy & Cement: Accelerating AFR Adoption for a Greener Future	1130 hrs – 1320 hrs: Session VI B: Greening Cement Operations: Scaling Up EV Adoption & Renewable Energy
1415 hrs- 1545 hrs: Session VII A: Decarbonizing Cement: The Role of Technology, Innovation & Upgrades	1415 hrs – 1545 hrs: Session VII B: Smart Cement Manufacturing: The Role of AI, IoT & Industry 4.0
1600 hrs- 1730 hrs: Session VIII: Cement Sector Decarbonization Strategies - Global perspective
